**CONSENT MOTION TO EXTEND DISCOVERY PERIOD AND TRIAL DATES AFTER
SUSPENSION PERIOD**

Petitioner Armen Ekmekdjje, by and through his undersigned counsel of record, brings this “Consent Motion to Extend the Discovery Period”. This motion is made with the consent of Registrant, Ledstar, Inc., by and through its counsel of record. The present Motion seeks to extend the discovery period and to reset certain dates in the present proceeding.

The present proceeding is currently suspended and the parties are engaged in settlement discussions. **The parties agree and desire that the current suspension continue, meaning that the proceedings are still suspended through May 17, 2014 as previously ordered on April 17, 2014.**

It is requested, and the parties agree, that once proceedings resume, that the Board extends the discovery period by 30 days to **July 5, 2014**, and that the dates previously set on April 17, 2014 will be re-set as indicated below.

Extending the discovery period will allow the parties to continue to explore settlement options as well as to conduct further discovery in the event that settlement is not reached prior to the end of the present suspension.

Petitioner states that it has the explicit consent of all parties to this proceeding for the date adjustment requested.
